

Valley Fever Solutions

Conflict of Interest Financial Disclosure and Certification

This form must be completed by all Valley Fever Solutions investigators prior to participation on PHS-funded research, and then updated annually as well as within 30 days of acquiring a new significant financial interest. Prior to completing this form for the first time, please complete required modules of the CITI training course and provide proof of completion via the training gradebook form which is located under My Reports. Refresher training is required every four years. Subcontractors/consultants of VFS on PHS-funded projects are required to complete this training and attestation as well unless they have proof of completion of an approved COI training through their institution. Instructions for completing the online CITI training are available at: orcr.arizona.edu/coi/training.
